

WORKS

ABSEIL / WORK RESCUE HARNESS

HWP4689

A favourite with emergency and rescue services and rope access technicians. The Works rescue harness is a tried and proven workhorse that can be used in a multitude of applications. It includes rescue retrieval attachments and padded shoulder panels.

The versatile design allows use for a multitude of applications including general rope access, abseil, rescue, industrial fall arrest, work positioning, tower and confined space. A true all-rounder. Certified to AS/NZS 1891.1:2007.
